

# Deaf Community Resource Center, Inc

February 19, 2010

The Deaf Community Resource Center is a non-profit agency whose mission is to provide the Deaf and Hard of Hearing and their families with the highest quality services and resources to maximize their quality of life.

DCRC is an Ohio Benefits Bank site and we recently also became a Tax Assistance site. In line with our mission, we are reaching out across Ohio to make other service providers aware that we can assist Deaf and Hard of Hearing individuals with all OBB services, including tax and FAFSA preparation. All assistance can be provided using ASL, so that interpreters are not needed and customers will be more comfortable interacting with someone in their natural language. We are willing to travel to meet with Deaf and Hard of Hearing customers outside the Dayton area. They will need to make an appointment with me via email or videophone.

I would appreciate your passing this information to any Deaf and Hard of Hearing individuals you serve. I have enclosed a flyer with the contact information.

Thank you,
