Dear To Whom May It Concern:

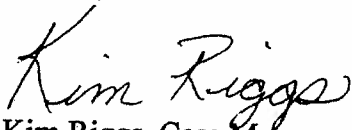

The Ohio Alliance of Community Centers for the Deaf (OACCD) have partnered with the Ohio Rehabilitation Services Commission (RSC) to increase outreach efforts to Deaf, Deaf/Blind and Hard of Hearing persons seeking vocational supportive services.

Because of OACCD's unique understanding of Deaf culture and our long-standing work within the Deaf and Hard of Hearing community, RSC has designated OACCD to provide outreach services to find Deaf and Hard of Hearing persons interested in seeking employment. Additionally, OACCD will conduct the initial vocational interviews and coordinate referrals to the appropriate Bureau of Vocational Rehabilitation offices.

The enclosed brochure lists the ten Community Centers for the Deaf cooperating in this new partnership. You can see listed under the information for Steubenville and Youngstown CCDs the counties where we are responsible for providing these services.

If you or your organization knows of any Deaf, Deaf/Blind or Hard of Hearing person needing vocational services, please contact us or ask them to contact us.

Thank you,

Kim Riggs, Case Manager  
Community Center for the Deaf  
Steubenville, Ohio

Rebecca Somnitz, Case Manager  
Community Center for the Deaf  
Youngstown, Ohio
